OUA has been registered with the US Food and Drug Administration. OUA has registered these factories with the US Food and Drug Administration under the 2022 Cosmetic Modernization Act (MoCRA) and participated in the marketing of cosmetics factories and products.

The US Food and Drug Administration does not issue or reissue registration certificates. OUA is not affiliated with the US Food and Drug Administration.

According to the requirements of the Federal Food, Drug, and Cosmetic Act, manufacturers and processors must register their factories with the Federal Food and Drug Administration and update their registration licenses every two years, including any updates to the product and its weight if the US Food and Drug Administration determines that cosmetics produced by registered factories are updated! If it is a poor health sequence in foster care, the FDA has the right to suspend the registration of the facility with the US Food and Drug Administration

Note: Under Section 607 (a) (2) of the FDA& Act , registered facilities must be renewed every two years
